**Make a Difference in the Lives of Parents
and Children in Your Community!**

"YOU THINK YOU'VE GOT IT TOUGH!
MY PARENTS HAVE BEEN GOING TO
PARENTING SEMINARS!"

Our Mission:

To improve parent communication skills and give parents effective verbal strategies for relating to their children.

To prepare you to skillfully present the Parent Talk System to parents in your community.

Benefits of being a Parent Talk System Facilitator:

- ◆ *Skill-based training..... that will insure your participants leave your training with specific verbal skills they can begin implementing immediately.*
- ◆ *Proven techniques.....real skills to assist you to help parents build love and trust within their families.*
- ◆ *Training competencies..... that will allow you to teach the Parent Talk System with expertise and confidence.*
- ◆ *Promotional and publicity guidance..... that will inspire successful attendance at your seminars.*
- ◆ *Ongoing technical assistance.....to answer your questions and provide support.*
- ◆ *Research based strategies..... to support your efforts with grant application.*

A Rewarding Experience Awaits You.

By attending this training and becoming a Parent Talk Facilitator you will join the growing cadre of over 200 facilitators now practicing in seventeen states, Australia, Canada, Mexico, and Spain. This select group is working diligently to improve family life in their communities.

"I just finished teaching my first class tonight, and loved it. I have 10 participants, and they felt they gained a great deal from the class, including the teacher and the "skeptic". Thanks for the clear way in which the facilitator's manual is laid out, and for the wisdom you have given us to teach! It is an honor to share this information with people and to make the world a better place, one family at a time.

Talented and Experienced Trainers

Chick Moorman is an inspirational speaker who has addressed over 400,000 parents and educators while conducting over 3,000 talks on raising and educating children. Whether addressing one or one thousand his mission is to help people experience a greater sense of personal power in their lives, so they can in turn empower others.

Chick is a former classroom teacher with over 50 years of experience in the field of education. Mr. Moorman is the author of *Parent Talk: How to Talk to Your Children in Language That Builds Self-Esteem and Encourages Responsibility*, and *Spirit Whisperers: Teachers Who Nourish a Child's Spirit*.

Thomas B. Haller, MDiv., LMSW, ACSW, DST is a widely sought after national and international presenter in the areas of child behavior management and verbal language skills. He is considered one of the world's foremost authorities on empowering individuals with effective verbal skills for creating interpersonal change and raising confident children. He is also the co-author of six highly acclaimed books, including *Parent Talk Essentials: How to Talk to Kids about Divorce, Sex, Money, School and Being Responsible in Today's World*.

As a parenting and relationship expert, Thomas works closely with the media answering life's difficult questions on radio and television. He is the chief family and relationship correspondent for WNEM TV 5, where he has been addressing relationship concerns on television for over six years. Thomas's segment, *Family Matters* is now seen three times a week on WNEM.

Katrina Jackson is a professional educator with over 25 years of experience teaching special education students in grades K-12. Her practical experience leaves her with a wealth of knowledge in communicating effectively with at risk students using verbally empowering intervention strategies. She is an enthusiastic and passionate facilitator with experience training several professional development models

including Charlotte Danielson's Four Domains, Great Expectations, and the Teacher Talk Advantage. She has also designed and trained Teacher Mentors to support and encourage new teachers.

Katrina is married and is raising 3 teenage boys. Her ability and commitment to inspire her own children and her students by using effective verbal skills, makes her uniquely qualified to assist others in mastering this important material.

The Parent Talk System helps you by providing...

- ❖ A 150 page trainer's manual.....so you don't have to redesign or create a parent training.
- ❖ Easy to follow directions for teaching the 6 modules, including questions to ask, possible answers, and additional information not available to the participants.....to keep you one step ahead of your participants, feeling confident and in control.
- ❖ Supplemental DVD to use for the major lecture burst pieces of the course.....so you can catch your breath and review what you are going to do next.
- ❖ 21 verbal skills.....to ensure parents exit with a full tool box of possible strategies to use when they leave your training.
- ❖ Registration forms, evaluation forms, sample advertisements, business cards, copy ready logos and letterhead.....so you look and feel like the professional parent trainer that you will become.
